

Current Legislation to Review

- ▶ **SB 1368/HB 971 - Section 180.06, Florida Statutes**, Interruption of Services revised to include garbage pickup services prohibiting a municipality or private company from charging for garbage pick-up services that are not rendered within a specified period.
- ▶ **SB 1308/HB 1149 - Section 403.706, Florida Statutes**, Local government solid waste responsibilities revised to address contamination of recyclable materials in contracts for the collection, transportation, and processing of residential recyclable material.

Current Legislation to Review

- ▶ **HB 879** Management of Storm-generated Debris and Solid Waste - Revises definition of "recovered materials" to include certain wood, asphalt, & concrete materials; requires local governments to suspend exclusive contracts for collection, hauling, staging, or disposal of storm-generated debris & solid waste under certain conditions; prohibits local governments from entering into & extending such contracts after specified date.
- ▶ **SB 348** Disposable Plastic Bags - Defining the term "coastal community"; authorizing certain municipalities to establish pilot programs to regulate or ban disposable plastic bags; directing participating municipalities to collect data and submit reports to the municipal governing bodies and the Department of Environmental Protection, etc.
- ▶ **Links to these bills will be posted on SWANA FL website.**
